Prohort cc has been designing; and constructing dynamic & functional landscapes since 1997. We are members of both SALI (South African Landscape Institute) & LIA (Landscape Irrigation Association). As with all our projects, we devote the same dedication, & attention to detail when maintaining your garden. We are qualified horticulturalists as well as irrigation specialists. We love seeing a garden reach it's full potential and splendour. With our expertise & vision, we will nurture your outdoor surroundings. We have completed successful projects in Val De Vie; feel free to ask for references.
